

For Immediate Release

Motor-Services Hugo Stamp welcomes Michele Laughlin-Payne as Director of Sales & Business Development.

Motor-Services Hugo Stamp, Inc. (MSHS), the leading provider of engine products and services for marine, power generation, and industrial applications, has hired and appointed Michele Laughlin-Payne to lead its sales force. As Director of Sales and Business Development, Payne will be responsible for strategic and regional growth while creating new business opportunities, maintaining current customers, and empowering a motivated sales team.

With over 20 years of industry experience, Payne plans to leverage MSHS' highly qualified team to focus on offering customers competitive product and service solutions. According to Payne: "As we look toward the future, MSHS is positioned to play a vital role in several industries, because of our productive partnerships with OEMs, and our commitment to customer satisfaction. We have a comprehensive array of value-added services, offering customers innovative solutions 24/7."

David Santamaria, CEO/President, added: "Having the right people in place is key to driving change and positioning us for exception growth in our competitive markets. We are confident Ms. Payne will champion our vision and has the experience to lead the sales team. She has the advantage of having first-hand knowledge in the engine market and will further enhance the MSHS presence."

About Motor-Services Hugo Stamp, Inc.

Founded in 1983, MSHS provides turnkey solutions for the maritime and stationary power industries. Pursuit of engineering excellence and commitment to customer service has enabled MSHS to establish relationships with customers worldwide.

MSHS continually meets customers' requirements through the rapid delivery of solutions and competitive pricing. MSHS has dynamically established a strategy for continuous investment in resources and infrastructure. This constant drive for modernization has enabled the company to maintain consistent competitive advantages in marine and industrial markets.

With facilities in Florida, Louisiana, Washington State, Grand Bahama and Rio de Janeiro, the MSHS Group delivers a full range of engine services to meet customer needs with speed, quality and commitment to service.
